

METRO TILE®

Metro TILE® Patent No.: US D527,835 S

Advanced materials in an old-world design for any roof.

Metro TILE® panels provide the graceful scalloped curves of a low-profile tile look in an exceptionally strong, lightweight roof system suitable for any home. With integrated stone-coated accessories that match perfectly with your roof. Metro has you covered from any angle, so call your local roofing contractor or Metro distributor today for a presentation on these unique roof panels and accessories and your roof will be glad you did.

A Company You Can Trust

Metro roof panels are backed by a 50-year limited warranty to stand against the elements. We know that installing a new roof isn't the end of the story. Your satisfaction is ultimately our success. Our warranty serves as a reminder that we're building a relationship – and relationships take time. At Metro our philosophy is pretty straightforward – listen to the customer, design to meet the needs, manufacture to the highest quality and back it all with the best warranty in the business! We take pride in our products and it shows – everywhere a Metro roof stands!
