## **NEW** **Florida Fascia Metal flashing**

Due to market demand Metro now offers a single sized (3-1/4") Stone-Coated fascia with a 2"-Inch wide roof deck flange to satisfy Florida installation needs.

The new 'FL-Fascia Metal' flashing in standard stone-coat colors will be in production during July 2007.

The new part number is noted below.

ITEM X LENGTH	PN-# - XX = Color	INVOICE INFO
NEW 'FL-Fascia Metal' flashing X 79" long	3125-XX	'FL-Fascia Metal'

Make sure you define which parts you need especially if you are matching to your inventory for job-lots.

Due to the differences between our standard 3-1/2" Fascia and FL-Fascia it's recommended that you do not mix the two in inventories or on job-lots.
