

Metro's SMART-Start On-Site Installer Training Program is designed for your crews to learn first-hand the skills and details to correctly install a Metro roof system. Pay for a Metro Trainer on-site for Two (2) days (\$400.00/Day) to help train your installers on YOUR Metro job. Metro Trainer's travel and accommodation fees are covered in the program base fee of \$800.00 along with one-90-min Roman Batten-Less Install DVD. You must provide a minimum of two (2) installers to learn the Metro system, and who can impart their learned knowledge to others in your company.

CONTRACTOR: Complete the form with preferred training dates, provide payment & indicate your local Metro distributor, BEFORE any Training session can be scheduled.
OPTIONS: YES! Add Metro SMART-Hand Tool Kits to my training registration order (\$375.00 value). Your price \$325.00 ea. Note Qty. below.

- NOTES: 1. Metro will confirm receipt & set a date for your SMART-Start Installer Training.
2. Contractor to have on-site Metro material, Hand-tools & Panel installation Kit for training roof.
3. Your credit card will be charged once a training date is confirmed.
4. Fax the completed form with your payment information to Metro at Fax (760) 435-1162.

Metro SMART start Installer Training Program (Agreement to be signed, dated (above & below) & payment made by Contractor before training can be scheduled)

Most roofs require more than Two (2) days to finish & Metro makes no claim that the roof will be complete prior to the end of the Two (2) days of training. IF YOU REQUIRE THE METRO TRAINER FOR MORE THAN TWO (2) TRAINING DAYS you hereby agree to pay an additional fee of \$450.00 per day for continued training of your staff. If upon arrival at the site, the Metro Trainer discovers no materials, competent staff, or equipment previously requested (Installation Kit etc) is not on-site, then Metro reserves the right to cancel the SMART-start Installer Training immediately. Metro assumes no liability for delays caused by weather related situations and no refunds shall be made for delays of this kind. Weather delayed paid sessions will be applied to future training date(s). The contractor is solely responsible for following the local code requirements and obtaining the necessary permits for the job. Metro assumes no liability for workmanship and reserves the right to terminate the on-site training if the contractors staff being trained do not accept or follow the Metro Trainer's instructions. A \$450.00 minimum charge shall be applied if this occurs.
